Additional Car Show Rules

- No Burnouts – we all love them, but this isn't the time or place for them. There are too many people and too many cars. This is a directive from the city, police will be on patrol, and it is a ticketable violation.
- Respect Our Volunteers – This is a zero-tolerance issue. You will be removed from the venue. These gracious people are kind enough to help our community with this exciting event. Please extend them the respect they deserve.
- Parking – We will direct you to your parking spot when you arrive at the venue. Please follow the instructions from our parking staff while parking. We need to make room for everyone, and this will help ensure we have enough space for everyone.
- No parking on sidewalks or corner outcroppings – This is a directive from the city.
- No Fighting – This is a zero-tolerance issue. You will be asked to leave.
- Respect the Cars – if it's not yours, DO NOT touch it. Watch your kids around the cars. If you see an issue, please let one of our staff know.
